**DATE:** April 11, 2006

**SUBJECT:** Request to Approve: 1) a Resolution Approving A Revolving Fund Appropriation for the Bradford Road and Pierce Avenue, Cambria, Cooperative Road Improvement Project, and a corresponding budget adjustment which authorizes a revolving fund appropriation of \$430,000 (by a 4/5 vote) to County Service Area No. 21 for the purpose of funding the Bradford Road and Pierce Avenue, Cambria, Cooperative Road Improvement Project; and 2) Authorize the Auditor/Controller to encumber any unused 2005-2006 fiscal year appropriation for this project and re-appropriate this amount to Fund Center 505 for Fiscal Year 2006-2007.

## Recommendation

It is our recommendation that your Honorable Board:

1. Adopt the attached Resolution and corresponding budget adjustment which authorizes a revolving fund appropriation of \$430,000 (by a four fifths vote) to County Service Area No. 21 for the purpose of funding the Bradford Road and Pierce Avenue, Cambria, Cooperative Road Improvement Project.
2. Authorize the Auditor/Controller to encumber any unused 2005-2006 fiscal year appropriation for this project and re-appropriate this amount to Fund Center 505 for Fiscal Year 2006-2007.

## Discussion

The Bradford Road and Pierce Avenue Cooperative Road Improvement Project is a voter approved, special benefit tax supported, public improvement project that will be financed and implemented through the County's Cooperative Road Improvement Program. The scope of this project is Bradford Road between Bradford Place and Richard Avenue, Pierce Avenue from Bradford Road to 200 feet north of Merlyn Avenue, and the portion of Merlyn Avenue between Pierce Avenue and Richard Avenue, for a total distance of approximately 2,500 feet.

Your Board originally reviewed the property owner petitions, set the required hearings, and called for the special tax election, which passed with 80% of the voters supporting the project.

## **Other Agency Involvement/Impact**

California Environmental Quality Act permitting issues will be reviewed and approved by the Environmental Division. County Counsel has approved the attached Resolution as to form and legal effect. Various utilities will be contacted for any necessary relocation or adjustments.

## **Financial Considerations**

Funding for the costs of this Cooperative Road project is based on a 100% Revolving Fund Appropriation (a loan) from the General Fund to CSA No. 21, which is later repaid from a voter approved special benefit tax collected from property owners whose properties are benefitted. All project costs plus simple interest is paid back to the General Fund over a period not to exceed 10 years.

A lump sum payment is also authorized if property owners choose to take part in early payoff, in which case they will have no interest payments. The per parcel cost of the project will be allocated on a front footage basis, with each benefitting parcel responsible for its proportional share of the project cost. The authorizing Resolution and corresponding budget adjustment must be approved by at least a four fifths vote for the appropriation to be made.

## **Bradford Road and Pierce Avenue Estimated Expenditures and Sources of Funding**

<b>Expenditures:</b>	<b>FY 2005-06Estimated</b>	<b>% of Total</b>
Administration & Design & Election	\$32,000	8%
Environmental	10,000	2%
Construction Costs	289,000	67%
Construction Management/ Inspection	42,000	10%
Overhead Charges & Contingency	57,000	13%
Total	\$430,000	100%
<b>Funding Sources:</b>		
Revolving Fund Appropriation (loan)	\$430,000	100%
Total	\$430,000	100%

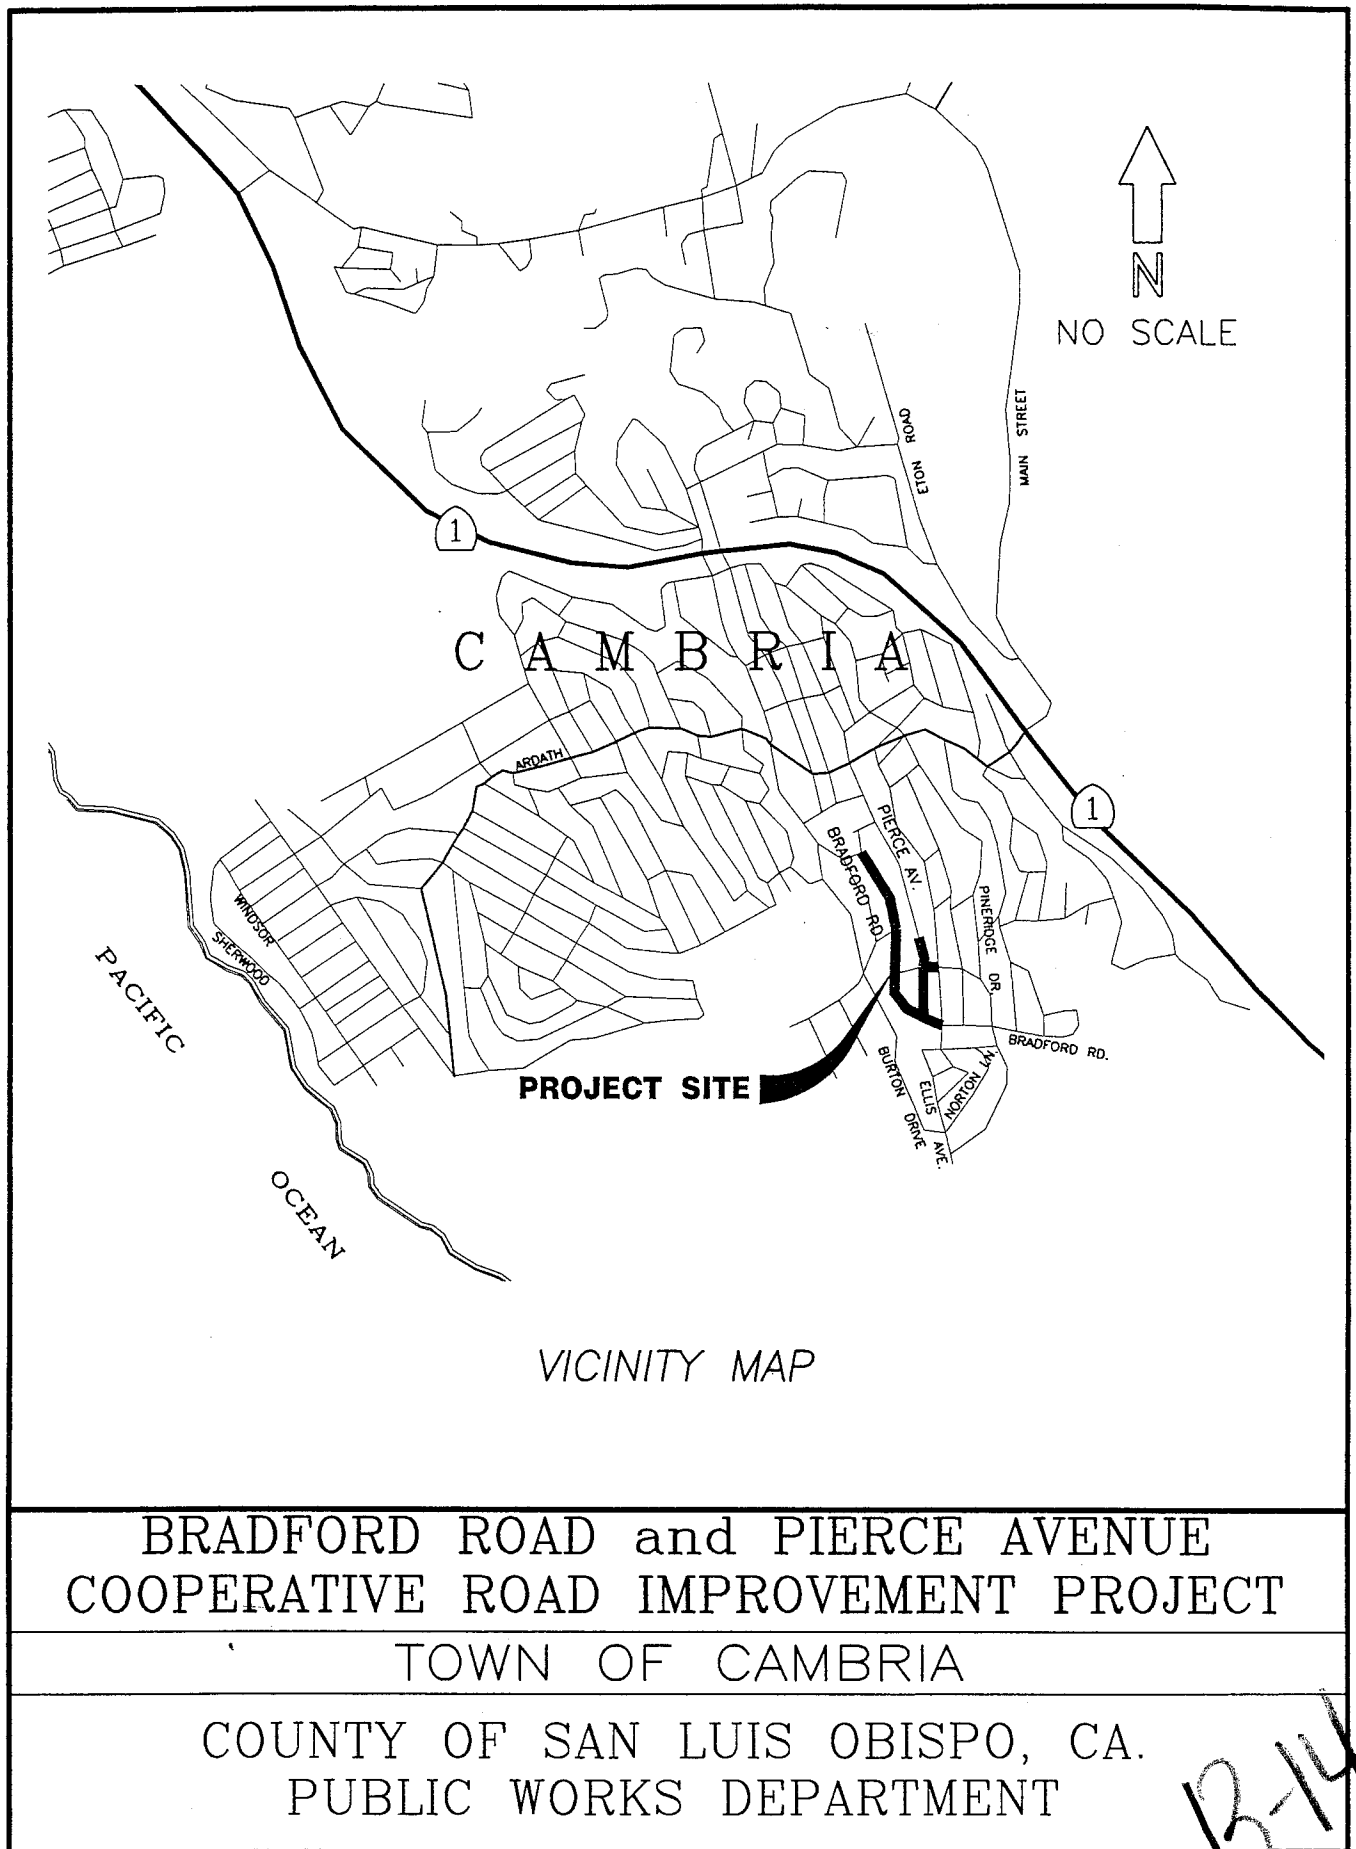

## **Results**

The recommended action will result in the appropriation of a \$430,000 revolving fund loan for this project, as prescribed by your Board's Cooperative Road Policy. The project, itself, will result in a more liveable community, specifically for those residing on Bradford Road and Pierce Avenue and other surrounding streets in Cambria.
